Why are there so many songs about rainbows and
what's on the other side?

Rainbows are visions, but only illusions,
and rainbows have nothing to hide.

So we've been told ... and some choose ... to believe it.
I know they're wrong wait and see.

Someday we'll find it ... the rainbow connection:
the lovers, the dreamers and me.

Who said that wishes ... would be heard and answered
when wished on the morning star?

Someone thought of that and someone believed it.
Look what it's done so far.

What's so amazing ... that keeps us stargazing
And what do we think we might see?

Someday we'll find it ... the rainbow connection:
the lovers, the dreamers and me.

All of us under its spell; we know that it's probably ... magic.

Have you been sleeping, and have you heard voices?
I've heard them calling my name.

Is this the sweet sound, that calls the young sailors.
The voice might be one and the same.

I've heard it too many times to ignore it.
It's something that I'm s'posed to be.

Someday we'll find it ... the rainbow connection:
the lovers, the dreamers and me.

Someday we'll find it ... the rainbow connection:
the lovers, the dreamers ... and me.
